IMPORTANT PRODUCT INFORMATION

New Universal "Plug-in" Mounted Circuit Breakers

Heavy duty replacements for ATC and ATO blade type fuses

- Saves time and cost for replacement of burnt-out fuses.
- Broad coverage for many popular makes of trucks.

- For 12 Volt D.C. electrical systems.
- Continuously self-resetting; designed for maximum efficiency and dependability.
- Features universal male blade terminals to fit O.E.M. fuse blocks; assures greater mounting adaptability and helps to minimize inventory.
- Terminals are grooved for easy size adjustment — simply snap-off tabs at desired position with pliers (one terminal at a time).
- Plated steel case; terminals securely embedded in high quality insulator.
- Overall size: .840" (21.33mm) L x .400" (10.16mm) W x 1.500" (38.10mm) H.
