Important Product Information

**New**

## 7 Pole Tractor-Trailer Connectors

- Surpasses SAE J560b performance standards.
- Conforms to SAE J560b for interchangeability of all seven pole sockets and plugs.
- Plug locks into opening on spring loaded socket door.
- Glass filled plastic construction prevents rust and corrosion.
- High degree of environmental protection for extended life.
- Compatible with Cole Hersee 13 pole plugs and sockets.

### **No. 12310** • Socket

- Rain hood extends beyond socket to protect socket interior.
- Drain channel inside socket with five degree downward angle reduces water retention.
- Gasket sealed door.
- Solid brass contact pins.
- Three flange holes for secure mounting.
- Wiring codes embossed on insulator.
- Ground terminal accepts up to #8 gauge wire, other terminals up to #10 gauge wire.
- Flange holes .33" (8.38mm) diameter, 2.93" (74.55mm) on centers.

### **No. 12311** • Plug

- Cole Hersee "Spring-Grip" contacts with self adjusting spring band for uniform contact with socket pins.
- Contacts "float" for proper engagement with all mating sockets.
- Replaceable interior.
- "O" ring at plug end prevents moisture from reaching contacts.
- Cable retainer for secure connection.
- Strain relief and grommet seal isolates connections on terminals from mechanical strain and provides additional moisture protection.

Form No. D-552
